

SPARK-T SoCal Learning Collaborative

Emergency Preparedness Session 1

March 25, 2025

Agenda

- **Intro**
 - **Mission**
 - **Guidelines & Confidentiality**
- **Learning from Experience**
- **Shaping Internal Policies**
- **Areas of Need**
- **Next Steps**

SoCal Learning Collaborative Mission

We aim to bring together small to mid-sized SUD treatment providers in Southern California to support peer learning, share resources, and build connections that strengthen the quality and resilience of services.

March 25, 2025

Guidelines & Confidentiality

- Please respect all views.
- Help us ensure everyone has an opportunity to share.
- What's said here, stays here!

Introductions!

- **Name**
- **Agency**
- **Favorite flavor of ice cream/dessert**

Learning From Experience

- **What types of emergencies have you had to navigate in your facilities?**
 - **How do you incorporate lessons learned into your agency's policies & procedures?**
- **What challenges have you faced when coordinating with local emergency services or community partners?**
 - **How have you addressed them?**

Shaping Internal Policy

- **How have you approached developing and updating written emergency preparedness policies?**
 - **What strategies have helped ensure they are practical and actionable for your team?**
- **Which resources do you look to for standards?**

Areas of Need

- **What type of support would make you feel better prepared for future emergencies?**
 - **Help shaping written policies**
 - **Mutual aid systems with neighboring agencies**
 - **Emergency supplies**
 - **???**

Next Steps

- **In-person workshop!**

- **Date & Time: TBD**

- **Location: CRI-Help**

George T Pfleger Center

11027 Burbank Blvd

North Hollywood, CA 91601
